IMPORTANT INFORMATION WHEN ORDERING

FINISHES AND GLASS—To enable us to make prompt shipment of your order, it is important to specify standard finishes and glass as listed. All fixtures furnished less bulbs.

PRICES—Subject to change without notice. All prices are F. O. B. factory.

SHIPPING INSTRUCTIONS—Specify whether shipments are to be made by steamship, freight, express, or parcel-post. In the absence of specific instructions, our shipping department will use its best judgment.

CLAIMS—Claim for shortage must be made within five days after receipt of merchandise. All goods should be carefully examined upon receipt and claims for breakage or damage taken up directly with the transportation company. Our responsibility for the condition of shipment ceases when accepted by the transportation company. However, we offer our cooperation to assist in collecting such claims where possible.

RETURN GOODS—No merchandise will be accepted for credit or exchange without first obtaining our written authorization.

NEW ACCOUNTS—Accounts desiring to establish credit must have a satisfactory DUN and BRADSTREET rating or are required to furnish trade references.

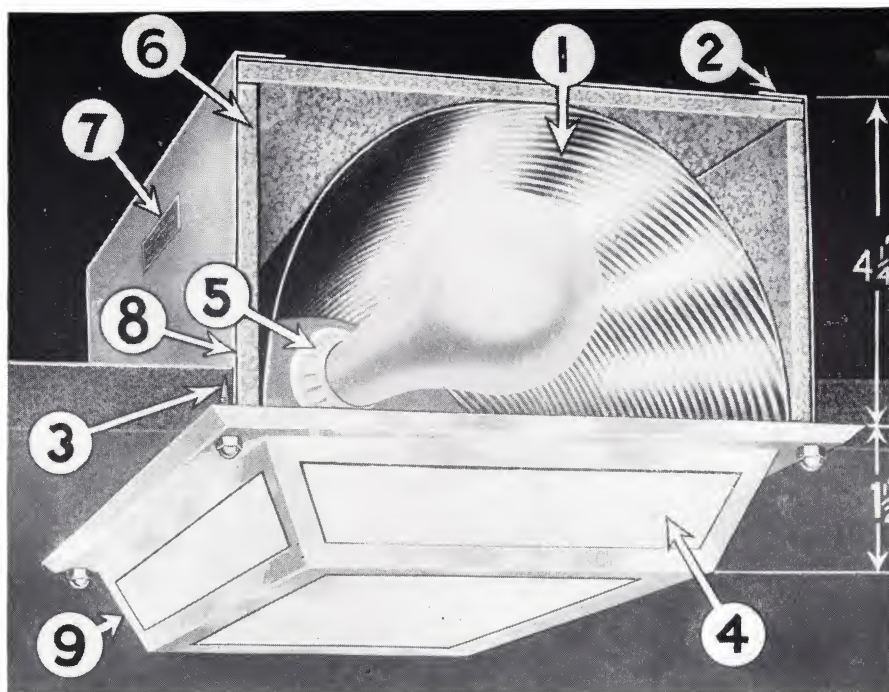

C. O. D. SHIPMENTS—A 25% deposit is required with all C. O. D. orders.

12 OUTSTANDING FEATURES

of **PROGRESS** Semi-Recessed Built-In Light Boxes

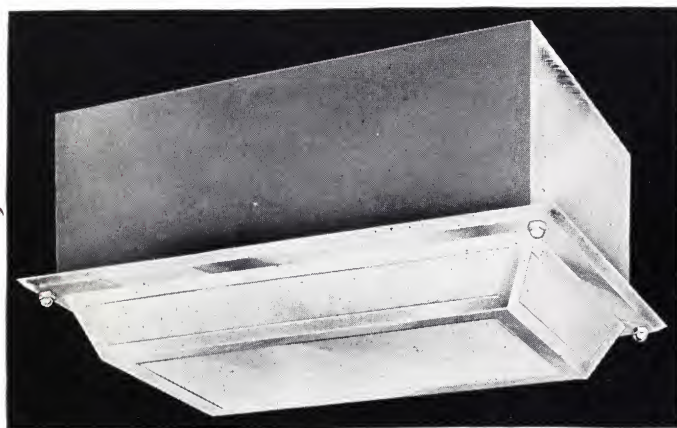

FOR RESIDENTIAL AND COMMERCIAL INSTALLATIONS

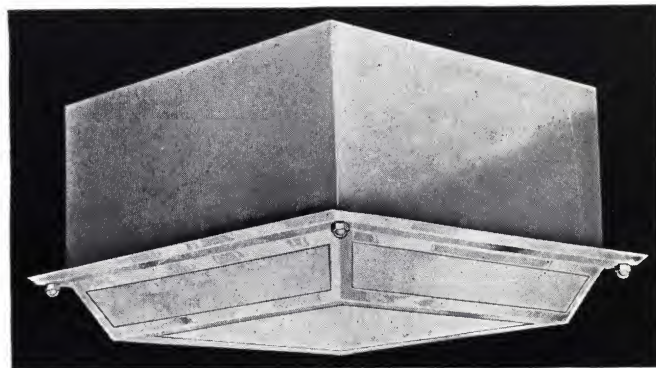

- 1 **MAXIMUM EFFICIENCY CHROMIUM CRIMP REFLECTOR**—Makes possible a uniform distribution of light.
- 2 **SPOT WELDED**—All Progress boxes are electrically spot welded, which makes them more durable than other makes of recess boxes, and also insures a satisfactory installation.
- 3 **FRAMES** are mounted with special adjustable screws that are furnished with each box.
- 4 **A PROBLEM SOLVED**—No more dark ceilings. Side glass panels, an advantageous feature, illuminate but throw no shadows on ceiling. All units equipped with Flashed Opal glass.
- 5 **CONCEALED TERMINAL RECEPTACLE** (Underwriters' Approved)—No loose electric wires in box.
- 6 **ASBESTOS LINED** $\frac{1}{4}$ " THICK which makes these boxes heat resistant.
- 7 **APPROVED**—These boxes are constructed in accordance with the specifications of the Underwriters' Laboratories, Inc. U. L. Labels attached.
- 8 All boxes constructed of heavy gauge **GALVAN IRON**, which is rust-resisting and non-corrodible.
- 9 **FRAMES** made of **SOLID BRASS (22 B & S GAUGE)** and finished in a lustrous, polished **CHROMIUM PLATE**.
- 10 **ECONOMY**—Progress recessed boxes are particularly designed to give more light with less lamp wattage, and consequently render complete customers' satisfaction. An infinite saving to the user in the cost of electric current ensues within a short period of time.
- 11 **NO LAMP SPOTS**—Due to the construction of these boxes, you are assured of uniform brightness and no lamp spots on the glass.
- 12 **EYE APPEAL** — Impressiveness, Beauty and Economy are permanent features of the Progress recessed lights.

Listed and Approved by Underwriters' Laboratories, Inc.
